EDWIN WEATHERWAX, Pastor. Sunday School, 9.30 A. M. Rev. Geo. Streit, Superintendent. Junior Choir will sing at 10:20. Morning worship, 10:45. Rev. Otto Spreng will preach. Evening worship, 7:30. Central Evangelical Church enjoyed the attendance of a large audience last Sunday morning at both Sunday school and at the preaching service which was under the auspices of the Woman's Missionary Society. The splendid choir directed by Mrs. Perry G. Briney and with C. H. Van Hellen at the piano, rendered effectively the anthems: "Nearer My God to Thee," by Wilson, and "Oh That Men Would Praise The Lord," by Drew. The Junior Chorus sang the Missionary Hymn, "The Message," by Clark. Rev. Weatherwax preached a missionary sermon using as his text: John 8:12, "I am the light of the world." Matt. 5:14, "Ye are the Light of the World." The pastor said in part, Christ has here made two most astounding statements. The first referring to His authority and power, and establishing His divinity. He is the author of the principal light of the world, and He is the Moral light of this world, "Lighting every man coming into the world," and He is the Spiritual light of this world, lighting every man who cometh unto God by Him.

Second—Only Christ could with authority say to man "Ye are the light of the world."

Two generations ago the non-Christian nations were closed to Christianity. Today all continents and islands of the world have open doors to the Christian Gospel. These peoples are waking up and changing their attitude toward God themselves and the world about them. These Heathen peoples have determined to be possessors of the scientific and material products of Christian enlightenment.

I submit to you, is it safe that they be the possessors of that power without the knowledge and experience of the true God as revealed through the personality and the Gospel of Christ the Divine Saviour?

Not only is it safe for them, but seriously is it safe for the peace of the world? Every thinking man will say it is not. Then, what? Ah, friends, just one thing. Give them the Gospel. Introduce them to Jesus Christ. That is privilege and duty of Christian America.

To this there must be a strong home-base (church.) Strong in leadership, in knowledge of peoples and their needs, in missionary
